INFINITE FEAR

THAT NEVER ENDS

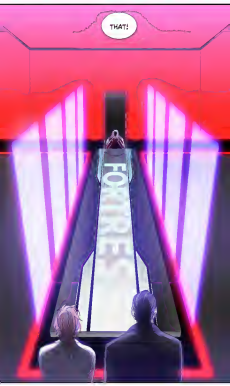
A NIGHTMARE

UNKNOWN CODE

12

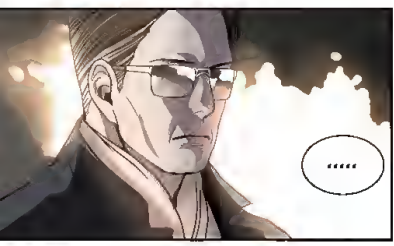
CARNBY/HOODA

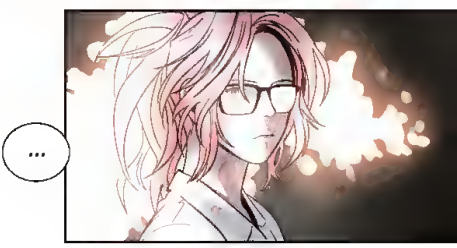
...AND NEVER MAKE SUCH A MISTAKE AGAIN.

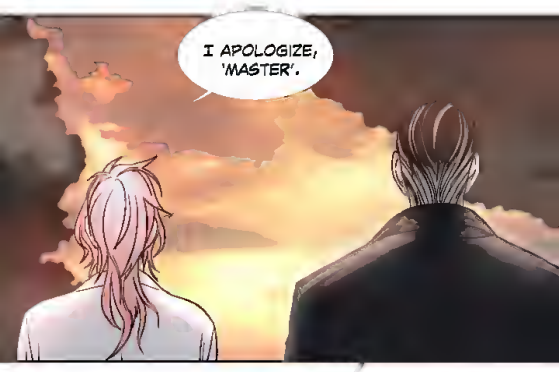


THAT!
FOUNDRY

WILL BE ALL.

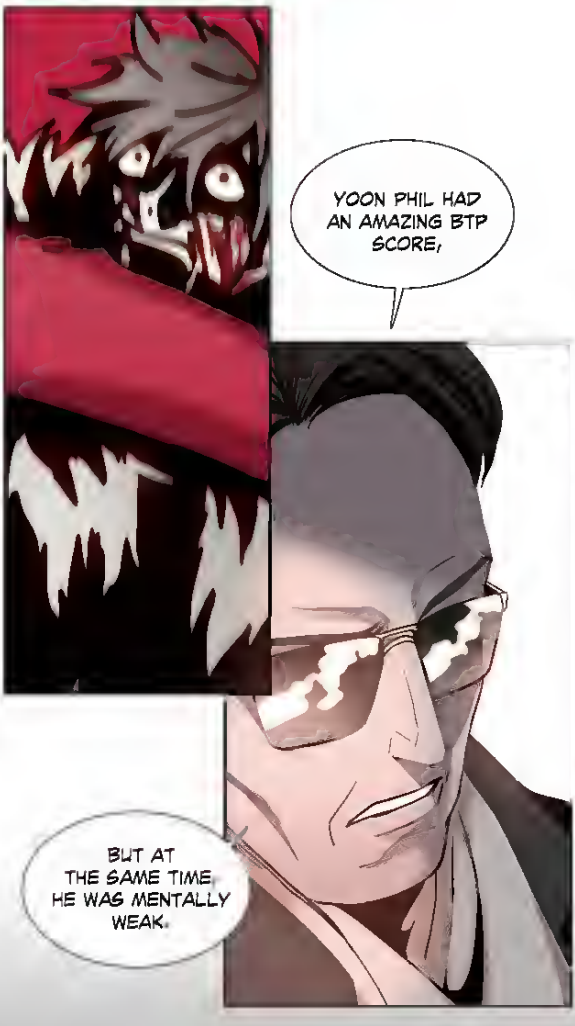




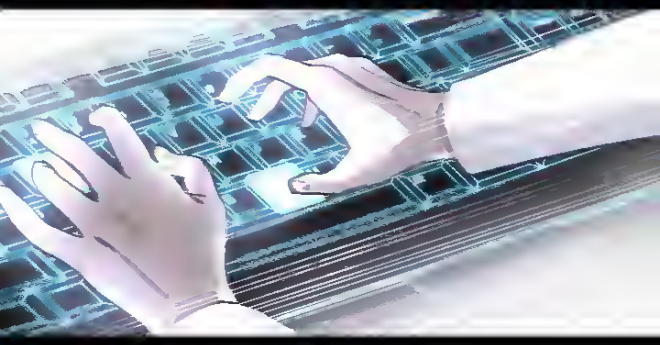


YOU STILL HAVEN'T TOLD ME.

WHY...
...YOU SAVED YOON PHIL.
WE SHOULD NEVER INTERFERE OR BE CONCERNED ABOUT THE CASUALTIES DURING THE TEST.
THESE ARE THE RULES AND WE SHOULD STICK TO THEM.



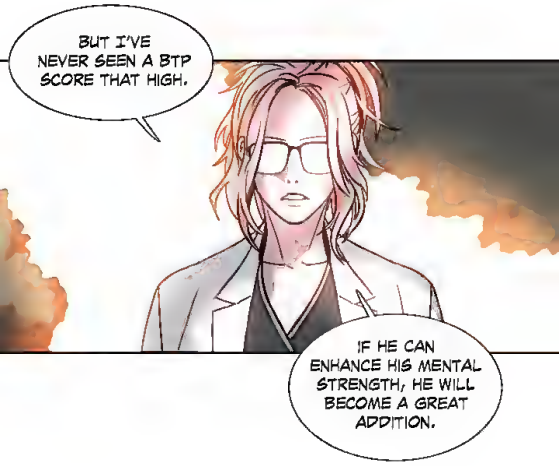
YOON PHIL HAD AN AMAZING BTP SCORE,
BUT AT THE SAME TIME, HE WAS MENTALLY WEAK.



STATE:/DISCONNECT

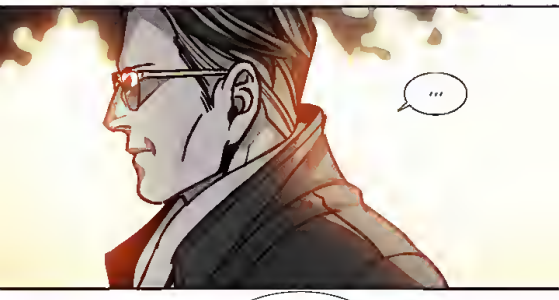
THERE WERE TWO REASONS.
!!

ONE,
MENTAL WEAKNESS IS SOMETHING ONE CAN OVERCOME WITH SUFFICIENT TRAINING.



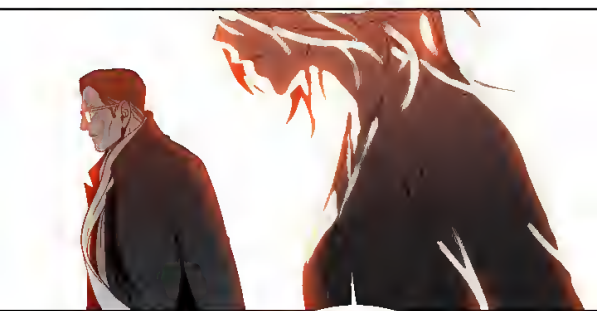
BUT I'VE NEVER SEEN A BTP SCORE THAT HIGH.
IF HE CAN ENHANCE HIS MENTAL STRENGTH, HE WILL BECOME A GREAT ADDITION.

The 'Strider'.



I couldn't let him die like that.

THEN ARE YOU SAYING WE KILLED THE OTHERS BECAUSE THEY HAD ZERO POTENTIAL?
THAT REALLY DOESN'T STAND AS A REASON.
I HOPE YOUR SECOND REASON MAKES MORE SENSE.
.....
I'M GOING TO USE YOON PHIL,
THE 'NATURAL BORN HERO', AND...



...LURE HIM OUT.
